**Welcome to the doctoral candidates and doctorate holders survey "Nacaps"!**

**For a German version of the survey please click the flag in the header!**

Depending on your personal life situation, the survey will take about 20 to 30 minutes. You can also complete the survey on your smartphone, but answering on a larger screen is easier and faster. You can interrupt the survey at any time and continue at a later moment. Once you have answered all the questions, you will then have the opportunity to participate in the announced raffle.

**Thank you sincerely for taking the time to complete the survey!**

Therefore, we would like to ask you once again to allow us to contact you again in about one year.

If you would like to participate in the further survey or in the raffle, please click on the [Link](#).

*We assure you that your contact data will be processed and stored strictly separated from your survey data.*
