A final request:

HIS has constructed a virtual student village HISBUS which enables rapid student consultation on and evaluation of important higher education policy decisions through online questionnaires. We would be very pleased if you would also be willing to answer questions on higher education-related themes using this method and if you therefore would give us your email address.

The email address will immediately be separated from the questionnaire upon receipt and not processed together with the responses in the questionnaire. Your address will neither be forwarded to third parties nor misused for advertising.

yes, I'd like further information on HISBUS, here is my email address _____

no, I don't wish to participate _____

because (please explain briefly): _____

If you have any further comments or critical suggestions, please inform us below.

Many thanks for your participation!
